

## Medical Information for Parents

1. Please ensure that the school is informed if your child has any medical conditions or any allergies.
2. Please make sure you inform us of any changes to your contact details as otherwise we may not be able to contact you without delay during medical emergencies.
3. You must be available to take your child home or have arrangements in place for their speedy collection if he/she is unwell. It is unsafe for us to send them home on their own and we are unable to keep them in school for long periods if they are considered too unwell.
4. Any medication which has to be taken during school time must be clearly labelled with personal details and the dosage in the original packaging, and must be given directly to the Welfare Assistant at the start of the day.
5. Please instruct your child to pick up the medication at the end of each day.
6. Please inform us of any vaccinations your child receives while he/she is a student at Canons High School.
7. Medical/Dental or opticians appointments must be confirmed in writing, by letter or appointment card.
8. Under Health & Safety guidelines –
  - a) we cannot provide your child with any medication, particularly painkillers e.g. paracetamol
  - b) we cannot use any antiseptics etc.
