Use the back of your RE book to plan what you are going to write.

Further information on your topics is available from room 4/5 and in the library. **YOU CANNOT TAKE BOOKS FROM ROOM 4/5 HOME.** Use the time in class to find information and then write up at home as homework.

You may complete your presentation on a power point slide show

Only five/ ten minutes per group and to add the pressure the rest of the class will be marking your presentations!! So make them interesting!!!
